

Keksia is a company set up in 2010 in the UK. We specialize in start-up projects, SaaS and mobile games. Currently we are opening our new office in Barcelona (Spain) and looking for qualified colleagues (interns). If you want to be part of a dynamic international team and assist in the development of unique projects, Keksia is the right place for you. Here at Keksia we can offer you a flexible environment where you can develop your skills and gain new experience.

1. Web Programmer Intern
